When there is any mandatory fill in missing, error message will pop out and stating the missing session. Audiences can return and continue filling the missing part.

The image displays two side-by-side screenshots of a website for ICO Technology Limited, illustrating a 'Personal Data Use Consent' form. The website header includes the company logo, name, and navigation links: 'Contact Us | Home', 'Solutions', 'Services', 'News & Events', 'About Us', and 'Career'. The main content area is titled 'Events' and features a 'Headline' section with the date 'January 04, 2023' and time '3:00 - 4:00pm'. Below this is an 'Event Banner' and an 'Event Description' section. The 'Personal Data Use Consent' form is prominently displayed, with a red box highlighting the 'Mandatory' information fields: 'First Name' and 'Contact Email'. The form also includes a 'Return' button and a 'Personal Data Use Consent' section with a long paragraph of placeholder text. The footer of the website includes the company logo, name, and copyright information: 'Copyright © ICO Holdings Limited. All rights reserved.'

After passing validation, Personal Data Use Consent window will appear, audiences must press agree to proceed button for application submission. If he/she presses decline button, they will then go back to the corresponding event page.

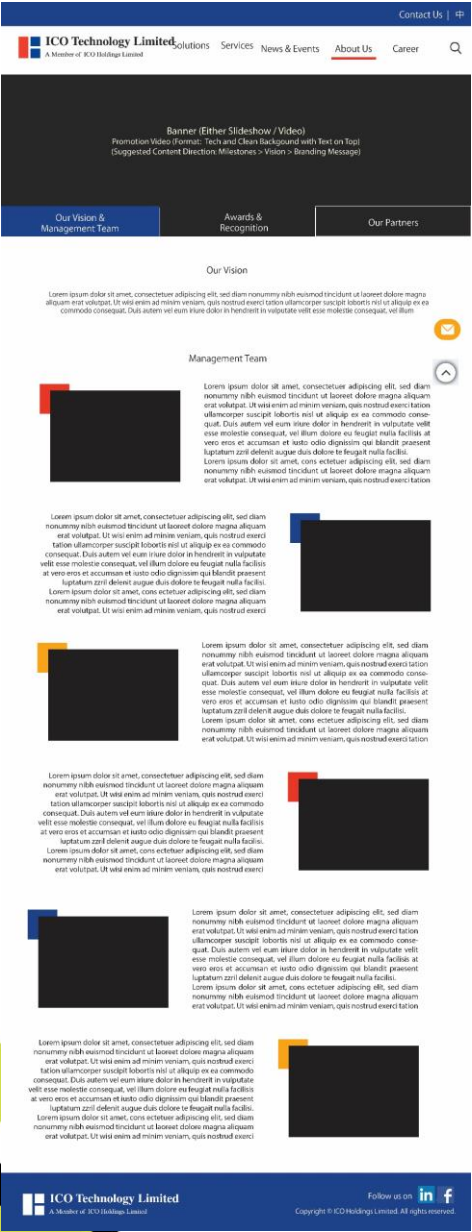

Any successful registration will then land to the thank you page. Headline will be “Thank you for your registration.” For the text column below, we suggest adding 1 paragraph of follow up message.

Return to Home Button

Audiences can return to home page for solutions and services information and our company's highlights
